The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services ren-

dered according to the purport of Clause of these Regulations. They must rather be considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining

which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject unless such Medal is bestowed for military or naval services performed by the subject in command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

ORDER IN COUNCIL, MARCH 1, 1864.

At the Court at Windsor, the 1st day of March, 1864.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-two, Her Majesty was empowered to avail herself of the services of a certain number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said Act and of the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Royal Naval Reserve Act, 1863, chapter twenty-seven Victoria, it is enacted as follows, viz. :—

"1. It shall be lawful for Her Majesty to accept from time to time the offers of any persons who are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Navy Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"The Lord High Admiral, or the Commissioner for executing his office, hereinafter called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time think expedient, under and subject to such rules, regulations, and orders as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for service or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time direct; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension

in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine :

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

And after the same date no person will be eligible for a Commission as Engineer in the Royal Naval Reserve until he has held a Commission or Appointment as Assistant Engineer of the Reserve for one year or upwards.

Honorary Commanders, Chief Engineers, Lieutenants, and Sub-Lieutenants.

In addition to the Officers of the Reserve on the Active List, there shall be a class of Honorary Officers of the Reserve, not exceeding in the whole 100 in number, and of the ranks named below,

(1) Honorary Commanders of the Reserve not exceeding 30 in number, and consisting of Officers of the Reserve who have held Lieutenants' Commissions for not less than 5 years, and who are not less than 40 years of age. Honorary Lieutenants of the Reserve will rank with, but after, Lieutenants and Masters of the Royal Navy; and Honorary Sub-Lieutenants of the Reserve will rank with, but after, Sub-Lieutenants and Second Masters of the Royal Navy.

The Officers on the Honorary List will not be required to undergo drill, nor will they be liable to be called out for active service, except in cases of emergency, and not then, unless they have been at any time on the Active List.

Promotion.

Officers of the lower rank in the Active List will, if qualified, be eligible for promotion to the higher rank on that list, at the discretion of the Lords Commissioners of the Admiralty.

Officers who, when in actual service, may, by the character or length of their service, obtain the special approbation of the Lords Commissioners of the Admiralty, will be eligible to receive Commissions as Officers in the Royal Navy, of the same grade as that with which they may rank at the time. They will then be considered in all respects as Officers on the permanent strength of the Navy.

Officers who, whilst on actual service, shall have distinguished themselves in action with the enemy, or by the character and length of their services, will be eligible, at the conclusion of their service in the Navy, for promotion to the higher honorary ranks of Commander and Captain of the Naval Reserve, at the discretion of the Lords Commissioners of the Admiralty.

Officers of the Reserve who shall have displayed zeal in promoting the efficiency of the Reserve will be favourably considered for promotion, at the discretion of the Lords Commissioners of the Admiralty.

Retirement.

Officers who wish to retire from the Active List may do so at the discretion of the Lords Commissioners of the Admiralty, on consideration of their services; either

- (1.) Without rank; or
- (2.) On the Honorary List, with the rank they may hold at the time of their retirement; or
- (3.) On the Honorary List at a higher rank.

Uniform.

Officers to wear the same uniform as Officers of corresponding rank in the Royal Navy, with the following exceptions, viz.:—

Commanders, Chief Engineers, Lieutenants, Sub-Lieutenants, and Engineers.—Instead of each stripe of half-inch lace round the sleeves of the coats, there is to be a stripe formed of two waved lines of quarter-inch gold braid, intersecting each other, so as to form bands half an inch wide, the blue cloth to show between the curves.

The Engineers' Department are to be distinguished by purple velvet stripes, quarter inch wide, between the gold braid waved lines round the sleeves of the coat.

Engineers who are only entitled to one waved line, the velvet stripe is to be worn below the gold braid on the sleeves of the coat.

Assistant Engineers, one waved stripe of purple velvet, quarter inch wide, round the sleeves of the coat above the cuff, without any gold braid.

The buttons to be of the Royal Navy pattern, with the letters "R.N.R." in Old English character, surmounted by a crown.

Instead of the anchor on the epaulettes and shoulder straps respectively, there is to be a badge consisting of a silver anchor in the centre, surrounded with the words "Royal Naval Reserve" embroidered in gold.

Instead of the bullion loop on the cocked hats the loop to be formed of two gold braids, twisted the same as for coat sleeves.

The badge for the caps to consist of a device similar to that on the epaulettes, embroidered on blue cloth and surmounted by a crown.

The plate for the sword-belt to be the same as for Officers of the Royal Navy, substituted with the letters "R.N.R." for the anchor in the centre.

Drill.

Lieutenants and Sub-Lieutenants on the Active List of the Royal Naval Reserve will be required to undergo in each year a course of twenty-eight days' drill and gunnery instruction on board one of the District Drill Ships, or if absent from England above a year, and unable to take their drill on board a Drill Ship, they may perform it on board one of Her Majesty's ships abroad having a Gunnery Lieutenant.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commander of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

Messing.

Officers, whilst on drill, will live on shore, and receive the following subsistence allowance, viz.:—

Lieutenants 10s. a-day.

Sub-Lieutenants 7s. a-day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

Discipline.

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to lose their Commissions

for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are required to provide themselves with a copy of the Regulations and Admiralty Instructions.

Service Afloat.

Officers of the Royal Naval Reserve called out for actual service by Royal Commission; and they will be liable to serve in the event of any national emergency, and they may be regularly discharged by the Lords Commissioners of the Admiralty.

Pay and Allowances, and Pensions.

Officers will, whilst called out for actual service, receive the pay of their corresponding rank in the Royal Navy.

Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst undergoing drill, will receive the same pay and allowances to which Officers in the Royal Navy are entitled under similar circumstances.

Widows of Officers who, whilst on active service, may be killed in action, or die from a wound resulting from the performance of their duties, will receive the same pensions as the widows of Officers of corresponding rank would be entitled to under similar circumstances.

Repeal.

All Rules, Orders, and Regulations in force in consequence of the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty, shall be repealed from the date when the Regulations come into operation; but this repeal shall not affect the validity of anything already done, or any right, title, obligation, or liability accrued thereunder.

AT THE COURT AT OSBORNE HOUSE, ISLE OF WIGHT,
the 16th day of February, 1866.

PRESENT,

THE QUEEN'S MOST EXCELLENT MAJESTY IN
COUNCIL.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of February, 1866, in the words following, viz:—

"Whereas by the fifth section of an Act passed in the twenty-ninth year of Your Majesty's reign, chapter eighty-nine, entitled 'An Act to provide for the better government of Greenwich Hospital,' it is, amongst other things, enacted that it shall be lawful for Your Majesty in Council from time to time, by Order in Council, to appoint such pensions as seem fit to Officers of Your Majesty's Navy, for the time being, entitled to the benefits of Greenwich Hospital, to be enjoyed by them so long only as they are not on the establishment, or inmates of Greenwich Hospital, but in addition to any half-pay, pension, or other allowance coming to them otherwise than under any such Order in Council, and to prescribe the conditions on which such pensions are to be held; and whereas we are of opinion that it would be expedient to award the pensions hereinafter mentioned to officers of Your Majesty's Navy, such pensions to be called 'Greenwich Hospital Pensions,' and to be paid out of Greenwich Hospital Funds. We do, therefore, beg leave to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the following pensions being granted:—

"Ten pensions of £150 a-year each to Flag Officers, to be selected from the Active List, six only of these to be granted at present, and the remaining four as vacancies occur amongst the four Flag Officers of Greenwich Hospital; these ten Flag Officers to have the privilege of rising in half-pay, as well as in rank, to that of full Admiral; such pensions not to be held in addition to 'Good Service' pensions,

2. All Seamen and Marines who have served with good characters for ten years continuously, or with short intervals.
3. All others, not coming within the above-mentioned classes, whose claims may be considered special and exceptional.

No In-Pensioners discharged to be re-admitted within twelve months from the date of discharge, unless it be necessary for Hospital treatment.

No men to be admitted for Infirmary treatment by the Medical Officers at Greenwich without the sanction of the Admiralty, except in cases of urgent necessity, when the authority of the Captain-Superintendent is to be obtained, and he is to report each case to the Admiralty.

Infirm or helpless Men transferred to Greenwich Hospital from other Naval Hospitals, with the sanction of the Admiralty, will be allowed their travelling expenses.

Admiralty, 17th January, 1866.

REGULATIONS ESTABLISHED BY THE LORDS & COMMISSIONERS OF THE ADMIRALTY.

For the Admission of Boys to the Royal Hospital School at Greenwich.

The school consists of 800 boys, the sons of commissioned officers, warrant officers, engineers, assistant engineers, petty officers, and seamen, and of non-commissioned officers and privates of marines, who have served or are now serving in the Royal Navy; of men who have served or are now serving in the coast guard; of officers or seamen registered in any way to serve Her Majesty; or of seafaring persons.

With the exception of the right of presentation enjoyed by Lloyd's Patriotic Fund Committee, all claims for admission to the school will be judged of by a Committee of Selection appointed by their Lordships, in accordance with the under-mentioned scale.

1st Class.—(1.) Orphans, both parents dead.

(2.) Sons of fathers killed, drowned, or deceased in Her Majesty's service, or while employed by Her Majesty on board a merchant ship, or in action with an enemy, pirate, or rebel.

(3.) Those whose fathers have been wounded or maimed in Her Majesty's Service.

2nd Class.—Sons of engineers, assistant engineers, and warrant officers not included in the before-mentioned class.

3rd Class.—(1.) Those whose fathers are serving, and whose mothers are dead, according to rating and service of father.

(2.) Sons of pensioners, according to class, not already included. Sons of out-pensioners, and sons of seamen and marines now serving.

4th Class.—(1.) Sons of seamen registered in any way to serve Her Majesty.

(2.) Sons of seafaring persons whose claims will be judged of by the Committee of Selection.

The sons of commissioned officers are admissible with the sons of seamen, and their claims for admission considered by the Committee of Selection under the same conditions.

At the request of the parents or guardians of candidates for admission, a "Form of Application" will be sent to them by the Captain Superintendent, Greenwich Hospital; which, when properly filled up, must be returned to him as directed, with the two following certificates:—

1. A certificate of the marriage of the parents; or, if not attainable, other satisfactory proof thereof.
2. Register of the child's birth.

A certificate of the father's servitude at sea upon which the claim for admission is founded, whether in the Royal Navy or merchant service, will be obtained by the proper officer from the Admiralty or from the Registrar-General of Seamen; and due notice will be given without further application, should the child be selected for admission into the school.

Boys eligible for admission must be between ten and eleven years of age, physically fit for sea-service, be able to read an easy sentence, and possess a knowledge of the first four rules in arithmetic.

Boys will be discharged from the school on the first day of the month succeeding that in which they shall attain the age of fourteen years and six months, unless either they volunteer, with the consent of their parents, to enter the Royal Navy,—in which case, if they are physically fit for the service, and of good character, they will be entered as boys on board Her Majesty's Ship "Excellent,"—or unless they succeed by their talents, industry, and good conduct, in obtaining admission into the "Nautical Division" by competitive examination.

The "Nautical Division" will consist of eighty boys, who will be discharged on the first day of January, April, July, or October, after they shall have attained the age of fifteen years and six months; special cases in which boys are recommended by the Principal of the school for a further time, not exceeding six months, will be taken into consideration by the Lords Commissioners of the Admiralty.

The education of the boys will comprise, in the "Lower Division," the usual elements of a sound English education, geography, English history and grammar, French, and drawing.

In the Nautical Division, in addition to the above, trigonometry, navigation, and nautical astronomy will be taught.

ENTRY AND EXAMINATION OF OFFICERS.

REGULATIONS FOR THE ENTRY AND EXAMINATION, OF NAVAL CADETS.

Admiralty, 6th February, 1865.

I. No person will be nominated to a Cadetship in the Royal Navy who shall be under 12 or above 14 years of age at the time of his first Examination.

II. Every Candidate, when nominated, will be required to undergo an Examination at the Royal Naval College at Portsmouth, on the first Examination day after his nomination.

N.B.—The Examinations take place on the first Wednesday in the months of April and December, and on the third Wednesday in the month of August.

III. The Candidate must produce a Certificate of Birth, or a statement thereof made before a Magistrate.

IV. The Candidate must be in good health and fit for the service, that is, free from impediment of speech, defect of vision, rupture, or other physical inefficiency.

V. The Candidate will be required—

1. To write English correctly from dictation, and in a legible hand.

2. To read, translate, and parse a passage from French, or from some other Foreign Living Language.

N.B.—The aid of a Dictionary will be allowed for these Translations.

VI. To have a satisfactory knowledge of—

1. The leading facts of Scripture and English History.

2. Modern Geography, in so far as relates to a knowledge of the principal Countries, Capitals, Mountains, and Rivers. To be able to point out the position of a place on a map when its Latitude and Longitude are given.

3. Arithmetic, including Proportion, and a fair knowledge of Vulgar and Decimal Fractions.

4. A knowledge of the Definitions and Axioms of the First Book of Euclid.

Should a Candidate be able to speak French or any other Foreign Living Language, it will be noted in his favour, as Drawing is a most useful qualification for Naval Officers, it is recommended that Candidates for the Service should be instructed therein.

7. If the Candidate be found not qualified at his First Examination, he will be allowed a second trial on the next Examination day at the Royal Naval College. Should he not pass this Second Examination, he will be finally rejected.

VI. If the Candidate succeed in passing the required Examination he will be at once appointed to a Training Ship for the purpose of instruction.

VII. Lists of Books, Instruments, Clothing, &c., required while in the Training Ship, will be sent to the successful Candidates.

VIII. Periodical Examinations will be held on board the Training Ship, and if a Cadet be found not to have made sufficient progress, or if, by indifferent conduct or idle habits on board the Training Ship, he shall show his unfitness for the Service, it will be the duty of the Captain to make a Special Report thereof to the Admiralty, in order that the Cadet may be at once removed from the Navy.

IX. After having completed 12 months' instruction, exclusive of vacations, in the Training Ship, a Cadet will have to undergo the final examination. Should he be found qualified he will be granted a Certificate to that effect, and be appointed to a Sea-going Ship. Should he be found not qualified, he will be discharged.

N.B.—In the case of a Candidate nominated to a First Class Cadetship, upon the recommendation of the Secretary of State for the Colonies, as a native of one of the Colonies, he will be Examined in the first instance on board the Senior Officer's Ship on the station, and will then be required to join the Training Ship in England, as in the case of other Cadets. It is, however, to be fully understood that arrangements must be made for his lodging and maintenance during the vacations (6 weeks at Midsummer, and 3 weeks at Christmas), during which periods he will not be permitted to remain in the Britannia.

MEMORANDUM.

Admiralty, 30th August, 1859.

Candidates for Naval Cadetships will be allowed a second examination, although at the time of such second examination they may exceed the age of 14 years.

MEMORANDUM.

Admiralty, 10th December, 1863.

The non-appearance of a Candidate for a Naval Cadetship of the first or second class, or for an Assistant Clerkship, on the first examination-day after his nomination will be considered as a rejection (except in cases of medically certified ill-health); but the Candidate may present himself on the following examination-day. Should he again not appear, or fail to pass the examination, he will be finally rejected.

NAVAL CADETSHIPS ALLOWED TO FLAG OFFICERS AND CAPTAINS.

Admiralty, May 12th, 1857.

Every Flag Officer on hoisting his Flag shall be allowed two nominations for Naval Cadets.

(PASSING FOR LIEUTENANTS AND MASTERS.)

Midshipmen and Acting Sub-Lieutenants are required to pass their several Examinations for the rank of Lieutenant, in accordance with the Regulations which were in force at the time when they severally entered Her Majesty's Service.

Officers who entered the Service previously to the 1st May, 1857, are to be allowed the option of passing after Five Years' Service, under the provisions of the late Circular No. 288, paragraph 20. Should they fail to pass under those provisions, they will be required again to undergo their several examinations for the Rank of Lieutenant at the expiration of Six Years' Service; and in no case will Seniority be allowed an Officer from an earlier date than the completion of such Six Years.

Officers who entered the Service between the 1st May, 1857, and April, 1860, must pass in accordance with the late Circular No. 288.

The Regulations referred to will be re-inserted in the Quarterly Navy List.

Masters' Assistants and Acting Second Masters will not be required to produce the number of observations mentioned in Article 11, page 63, of the Instructions until May, 1863.

By Command of their Lordships,

C. PAGET.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

EXTRACT FROM LATE CIRCULAR, No. 288.

Admiralty, 23rd February, 1857.

XI. All Midshipmen, until they shall have passed their examinations for Lieutenant, are to keep a book in which the ship's reckoning is to be worked out and noted, and when they are at sea this book is to be sent in every day to the Captain, instead of the slip of paper containing a day's work, which is now usually presented. It is also to be produced at their examinations; and during the last six months of their service as Midshipmen it must contain the working of the Observations as given in Sheet B.

XII. A Midshipman when he shall have served eighteen months in that rank will be required to pass an intermediate Examination. In addition to the subjects embraced in former Examinations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the True and Compass Courses.

3. Such knowledge of Nautical Surveying, as may enable him to measure a base line and determine positions by angles, and the manner of ascertaining heights and distances.

4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam Engine.

5. A proficiency in French.

6. He must be a fair practical observer.

7. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of Good Conduct.

8. He will likewise be examined as to his progress in the knowledge of rigging of Masts, Bowsprits, &c., in getting tops over and placing a lower cap, in setting up rigging, and especially as to the precautions required in staying lower masts; in hoisting a quarter or stern boat up in a strong breeze with a Sea on; in making up a course and topsail for bending at Sea; in shifting topmasts, yards, and sails at Sea, and the effect of the sails

on the Ship both in tacking and wearing; in the usual arrangements for mooring and unmooring Ships and getting under-way. He must likewise know the Great Gun and Small Arm Exercise, the use of Tapered Sights, the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects to be made to the Secretary of the Admiralty in the Half-yearly Return.

XIII. The Examinations under Articles X and XII are to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship, or the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors when it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instructor by two Masters, that in Gunnery by a Gunnery or other competent officer; and at the Examinations the Candidate is to be made to take and work out his own observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 9, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed his Examination referred to in Article XII, must continue to serve in that rank for a further period of two years, and having completed such two years, he may, if he has attained the age of 19 years, present himself to pass his Examination for the rank of Lieutenant, in accordance with the Forms Nos. II., III., IV.

XV. The Examination for the rank of Lieutenant is to be conducted before three Captains or Commanders, by order of the Commander-in-Chief or Senior Officer of two or more ships present together; but a Midshipman having completed his term of service, and being 19 years of age, who is serving in a ship or vessel so far separated from other ships that the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of such ship or vessel, with the aid of other competent Officers—Lieutenant, Master, or Second Master, and if they find him to be duly qualified, they are to give him a certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate; he must be re-examined on the first opportunity of doing so afterwards offer by three Captains or Commanders, as before required, and if he passes successfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Mate to take rank according to the date of the first certificate.

As the above is the final Examination in Seamanship, the Examining Officers are to be most strict in their investigation of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he produces Certificates of good conduct from Captains he has served under in the years.

XVI. All Midshipmen and Acting Mates will be required to undergo the following final Examinations—

1. In Gunnery—On board the Excellent.

2. In Navigation and the Steam Engine—At the Royal Naval College.

Acting Mates who have already passed abroad are to present themselves for Examination on board the Excellent on the first Examination Day after their return in England, or after being paid off, and having passed in Gunnery, they are then at liberty to select either the 1st, 2nd, or 3rd Examination Day at the Royal Naval College.

XVII. Any Officer rejected on his first Examination at the College will incur the forfeiture of three months' seniority in his rank as Mate. He may present himself on the next Examination Day, but a second rejection will incur the forfeiture of three months more seniority; he may again present himself on the next Examination Day, but a third rejection will cause his name to be removed from the List of the Navy.

XVIII. Officers when they have passed their final examination at the Royal Naval College, as provided for in the Regulations, will be confirmed from the date of their Certificate.

The non-appearance of an Officer for Examination at the Royal Naval College at the times required by these Regulations will be considered as an acknowledgment of his not being qualified, and he will be dealt with in the same manner as if he had been actually rejected on each day on which he may have omitted to appear, unless under certified ill-health to be duly reported at the time.

* By an Order dated 6th June, 1862, Officers are allowed to present themselves to pass in Gunnery on the second instead of on the first examination-day, it being then understood that such indulgence is not to interfere with the Regulations as to the time in which officers are required to pass the final examinations at the R. N. College.

XIX. Naval Instructors are to keep a School Journal or Register, which is to be produced when required by the Captain of the Ship or the Examining Officers, and the Captain is to allow them reasonable access to the charts and chronometers, for the purpose of instructing the Officers in their use.

XX. EXAMINATION FOR NAVAL INSTRUCTOR.)

The Lords Commissioners of the Admiralty are pleased to direct that the following Regulations relative to the examination of Candidates for the rank of Naval Instructor in the Royal Navy, be substituted for those now in force:—

A Candidate for an appointment as Naval Instructor must not be under 20, nor above 35 years of age. He will be examined at the Royal Naval College, under the directions of the Admiralty, and must be duly qualified in the following subjects, viz:—

- I. Arithmetic and Algebra.

- Should he show a due proficiency in the above subjects of Preliminary Examination, he will receive an order for admission to study at the College, in order to qualify himself in the subjects of the Final Examination for Naval Instructor, which will comprise:—

- VII. The College Examination in Navigation, Nautical Astronomy, &c.
- VIII. Observations with the Sextant, &c., the use of the Azimuth Compass and Chronometers, &c.

Although the knowledge of other modern languages, in addition to French, and of the principles of Drawing, is not considered as indispensable, it is very desirable that Naval Officers should be able to give instruction in these subjects of education; and preference will be always given to such as possess these attainments. Chaplains serving on board may, under the directions of the Commander-in-Chief, be examined in the foregoing points by competent persons nominated for the purpose, in the presence of a Captain or Commander. Admiralty, 12th October, 1863.

(THE EDUCATION AND PROMOTION OF THE ENGINEERS OF THE ROYAL NAVY.)

My Lords Commissioners of the Admiralty have had under their consideration the present Regulations for the Entry and Promotion of Engineers in the Royal Navy, and, with the view of improving the education and increasing the efficiency of that Class of Officers, as well as improving the education of the Engineer Boys in the Government Factories, have established the following Regulations, which are to be substituted for those now in force:—

1. The term "Engineer Students" is to be substituted for that of "Engineer Boys."

2. Vacancies for appointments as Engineer Students will be open to public competition.

3. The Lists of Candidates will be kept by the Superintendents of the Dockyards, to whom all applications must be addressed.

4. Candidates must not be less than fifteen or more than sixteen years of age on the first day of the month after the examination. Proof of age will be required by certificate of birth, extract from baptismal register, or declaration before a Magistrate, which must be produced at the time of the examination. They must also produce evidence of respectability and good character on a form which will be furnished by the Superintendents of the Dockyards. They will not be admitted for examination until they have been pronounced fit for H.M. Service by the Medical Officers in the Yards.

5. Examinations will be held in January and June. The following will be the subjects of examination, and the maximum number of marks for each subject:—

7. Engineer Students will be employed in the Factories for a period of six years, with a view to their becoming Naval Engineers if, on examination at the end of that time, they are found to possess the necessary qualifications. In the course of the six years they will be employed in the fitting and erecting shops, and will attend in the drawing office, the foundries, the smitheries, and other shops, to acquire a general knowledge of the work done in them. They will also attend at the Dockyard School two afternoons and two evenings in the week to pursue such studies as may from time to time be determined on. Means will also be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer, respecting the working of marine engines and boilers, the practical use of the various instruments used in the engine room, including the indicator, and of becoming generally acquainted with the duties of a Naval Engineer.

Engineer Students must gain 1000 marks before they obtain a certificate of qualification. These numbers must include at least half of the numbers allotted to the subjects marked with an *. The certificates will be of two classes. To obtain a first class certificate a Student must gain 1800 marks, which must comprise three-fourths of the numbers in the subjects marked. A first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. The Chief Engineer and Inspector of Machinery will also examine the Engineer Students twice a year as to their progress in practical studies, and no Engineer Student will be entered in the Navy until the Chief Engineer certifies that by his skill as a workman, his knowledge of steam machinery, and his good and steady conduct, he is fully qualified for the appointment of Assistant Engineer.

9. Engineer Students who may fail to attain the required standard for the scholastic examination at the end of six years, will be allowed to present themselves a second time, at the next half-yearly examination of the Inspector of Schools; if they fail to obtain their certificates at the second examination, they will cease to be eligible for the Naval Service.

10. The weekly pay of Engineer Students will be 8s. during the first year of their training, and if they are reported deserving by the Chief Engineer and Inspector of Machinery, it will be increased 2s. a week each year until the sixth, and then increased 8s., making their wages 24s. a week for the last year.

11. Engineer Boys at present in the factories (in future to be designated Engineer Students,) will be placed as nearly as circumstances will admit, on the same footing as the Engineer Students who may hereafter be entered; they will be required to give the same attendance in the school as other Engineer Students, and their five years' training will be lengthened to make up for the time they may spend in school during working hours; those who, at the expiration of their time, have not acquired sufficient skill as workmen to qualify them for examination for Assistant Engineers, will be allowed to remain until they are so qualified, but in no case will they be retained after reaching the age of 21. They will have to undergo the same periodical examinations before the Inspector of Schools and the Chief Engineer and Inspector of Machinery as those who enter as Engineer Students.

12. Persons from the private trade who may be desirous of entering the Navy as Assistant Engineers must be at least 21 years of age, and must apply, as at present, to the Secretary of the Admiralty, furnishing information as to where they have been brought up, and certificates of character and efficiency; orders will then be given for such as may be thought fit, to be examined, as at present, by the Dockyard Officers, who are to take whatever further means may be necessary to satisfy themselves fully as to the candidates possessing the requisite practical qualifications. The exigencies of the Service will determine in some degree the nature of this examination. If the candidates pass they will be entered on probation for twelve months, and placed on the books of the ships of the Steam Reserve. They will have to attend the Dockyard School whenever their services can be spared, they will also be afforded opportunities of improving their mechanical knowledge, and if on the spot, they, as well as any other Engineers, will be allowed to present themselves for examination before the Inspector of Schools at any of his half-yearly visitations at the Dockyards. The examination will embrace the same subjects as the final one for Engineer Students; those who pass it will receive a certificate either of the first or second class; a first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. Those who obtain either a first or a second class certificate will not be required to pass another examination, except on engineering subjects, to qualify them for promotion to any of the higher grades. Those who cannot get a certificate from the Inspector of Schools will not be eligible for promotion to Chief Engineers, unless under special circumstances the Admiralty should grant them a dispensing order, but they may rise to the rank of Engineers, provided they can pass the professional examinations.

13. Although it is not essentially required of the Engineer

Officers, whether brought up in the Dockyard Factories or not, who obtain second class certificates, to present themselves again at any of the half-yearly examinations, it will be open to them to do so, and if they can obtain a first class certificate it will be regarded, in respect of promotion, as equal to one year's service at sea in the grade they may have attained at the time of passing the examination. A Chief Engineer's qualification for a First or Second Rate, as well as his eligibility for filling superior situations, will be in some measure determined by the class of certificate he may have obtained.

14. These Regulations will apply to Engineers now in the Navy, and to those who may become Engineers, whether brought up in the Dockyard Factories or not.

15. The Inspector of Dockyard Schools, and the Chief Engineers and Inspectors of Machinery, will make to the Admiralty annual reports of the progress and conduct of the Engineer Students and Engineers attending the Schools.

PRACTICAL QUALIFICATIONS OF ENGINEER OFFICERS, PASSING AND PROMOTION AT HOME AND ABROAD.

A Candidate for the appointment of Second-Class Assistant Engineer must produce certificates of servitude in a boat, or proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character; he must possess all the qualifications requisite to enable him, after a short experience of the working of marine engines, to execute efficiently the duty of Second-Class Assistant-Engineer of any of Her Majesty's Ships; he must be able to keep accounts, and make rough working sketches of engines and boilers; he must understand the general principle of the engine, be acquainted with the names of the various parts and uses; and be willing to exert himself as a mechanic and workman in the several contingencies that may arise in the engine-room.

A Second-Class Assistant-Engineer who has served in one or more of Her Majesty's Ships, on full pay, for two complete years, may be examined as to his qualifications for the appointment of First-Class Assistant-Engineer, by the Commander-in-Chief, or senior Officer present at home, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for the purpose, and if abroad, by an Inspector of Machinery Afloat, and the Chief Engineers, in the presence of a Captain or Commander. The Candidate must possess all the qualifications requisite of a Second-Class Assistant-Engineer, by fully competent to perform the various duties of a First-Class Assistant-Engineer, and to take charge of a watch in the engine-room, when the steam is up at sea.

An Officer must serve for two complete years, on full pay, as First-Class Assistant-Engineer, in one or more of Her Majesty's Ships, before he is eligible for promotion to Engineer, when he may be examined under regulations similar to those laid down for promotion to First-Class Assistant-Engineer. He must possess all the qualifications required of a First-Class Assistant-Engineer, be fully competent to perform the various duties of an Engineer, well acquainted with the principles upon which marine engines work in all their parts, able to adjust all the various working parts, and set right defects which may arise in the engines and boilers, and in every way competent to take charge of the engines in the absence of the Chief Engineer.

When a First-Class Assistant-Engineer who possesses a certificate from the Inspector of Schools presents himself for examination for promotion to Engineer, he may also present an examination in engineering knowledge which will qualify him for Chief Engineer.

An Officer must serve for three complete years, on full pay, as Engineer in one or more of Her Majesty's Ships, before he is eligible for promotion to Chief Engineer, when he may be examined touching his fitness for that rank, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for that purpose; he cannot receive a commission as Chief Engineer until he has a certificate from the Inspector of Schools or has been granted a dispensing order from the Admiralty. He must possess the qualifications requisite to enable him to execute efficiently the duty of Chief Engineer of any one of Her Majesty's Ships; he must be able to make notes in the register every particular of the working of the engine and boiler, draw rough sketches of any part of the machinery, and figured dimensions, fit to work from; he shall be required to

start himself practically as a mechanic and workman when occasion requires, either in driving the engines, or packing, repairing, or adjusting the working parts of the machinery, or making good the defects of boilers; he must possess a thorough knowledge of the construction and working of marine engines and boilers in all their parts, and be so far acquainted with the elements of theoretical mechanics as to comprehend the general principles on which the machine works; he must understand how to apply the Indicator, and draw the proper conclusions from the diagrams; and he must be acquainted with the principles of expansion, and able to prove, or at least to illustrate, the advantages to be derived from the use of expansive gear.

An Engineer, or a First or Second Class Assistant-Engineer, who may be serving abroad, where the requisite number of proper examining Officers cannot be obtained, may be provisionally examined, under the directions of the senior Officer present, by an Inspector of Machinery Afloat, or by one, two, or three Chief Engineers, according as such Officers may be on the spot, in the presence of a Captain or Commander, or of the Officer commanding the ship in which the candidate may at the time be borne; and no Engineer Officer is to be considered eligible for advancement to a rank or class for which he has not passed at least a provisional examination; neither will he be eligible for confirmation in any rank which he may have attained after passing provisionally, until he shall have passed the established examination before proper Officers, in accordance with the foregoing regulations.

Engineers Officers of ships about to leave England for service abroad, may present themselves for examination for promotion to superior ranks, twelve months before completing the respective periods of service specified above.

A small number of Engineers who may be considered fit and deserving, may, at their own request, be selected, from time to time, by the Admiralty, as "Engineers for special service." As a general rule, they will not be appointed to ships bearing Chief Engineers; but they are not, after being so selected, to be considered eligible for promotion to the rank of Chief Engineer.

By Command of their Lordships,
C. PAGET.

To all Commanders-in-Chief, &c.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st of July, 1860, the words following, viz. :-

"Whereas having had under consideration the inadequacy of the means at present at our disposal of employing Officers who are fit and desirous to serve your Majesty, as well as our inability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further Active Service; and also, as an additional Reward for past Service and an inducement to Officers on the Active List to seek such Service, we would further suggest that the Half Pay of *Lieutenants* should hereafter be proportionate to, and made dependent upon, their Length of Service.

At the Court at Windsor,

the 24th day of July, 1861.

(Present, the Queen's Most Excellent Majesty in Council)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th of June, 1861, in the words following, viz. :—

"Whereas your Majesty by an Order in Council, dated the 1st of August, 1860, was graciously pleased to authorize us to carry into effect certain changes in the Half-pay and Retirement of Officers of your Majesty's Navy; and whereas we are humbly of opinion that it would greatly tend to the advantage of the Naval Service if certain further alterations and amendments, as hereinafter introduced, were to be made in the scheme approved of in your Majesty's said Order in Council; we would humbly submit the following propositions for your Majesty's gracious approval.

"First, as relates to Captains."

"1. That the Active List of Captains shall be reduced from 350 to 300.

"2. That the existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty without having served in their present rank, shall be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Officers. Such Officers to receive Retired Pay as follows:

| | |
|--|----------------|
| "If on the 10s. 6d. Half-pay List when retired | 18s. per diem |
| "If on the 12s. 6d. | " " " } 20s. " |
| "If on the 14s. 6d. | " " " } |

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25s. per diem, subject, however, to the proviso contained in Paragraph 8.

"3. That the above system of retirement shall be extended to Captains who may have attained the age of fifty, provided they be willing and desirous to accept the same, subject to the proviso contained in Paragraph 8.

"When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this Clause who has not been five years on that List.

"4. That Captains who shall be found physically unfit for service may, at our discretion, be allowed to retire, irrespective of age, at the several rates of 18s. or 20s. a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of 15 years; and if less than that period of service, at the rate of 16s. a-day. Such Officers shall be allowed to rise in rank and pay with other Captains of the same standing, subject to the proviso contained in Paragraph 8.

"5. That we may be empowered, at our discretion, to limit a limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to retire on the foregoing conditions, and subject to the proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers shall place under this clause.

"6. That Captains who may arrive at their term for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, shall be placed on the List of Reserved Rear-Admirals.

"These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, shall be allowed pay at the rate of 25s. a-day; subject, however, to the proviso contained in Paragraph 8.

"7. That the increased rate of 25s. per diem Half-pay be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, shall be allowed to rise to the higher grades on the Retired Flag List according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of retired pay or emolument.

"8. That no Officer who was not on the Active List of Captains previously to the 1st of August, 1860, shall be allowed more than the pay of 20s. a-day on attaining the rank of Rear-Admiral, unless he shall have completed five years' service at sea in the rank of Captain.

Second, as relates to Commanders.

"9. That the Active List of Commanders be reduced from 450 to 400.

"10. That the existing system of placing on the Retired List, under the conditions specified in the Order in Council of 1st August, 1860, all Commanders who have not served within a period of fifteen years either Afloat or in command of Revenue Vessels or in the Coastguard, or as Mail Agent, or Transport Officer, shall be extended to Commanders who have not been so employed during a period of ten years; such Officers, and Officers of Greenwich Hospital of similar rank, to be permitted to assume the rank and title of Retired Captain on reaching the age of 60 or on attaining 15 years' seniority on the List of Commanders, and to receive on their retirement pay on the scale provided for in the said Order in Council, with this difference only, that Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore as half the same period served at sea, instead of one-third, as at present.

"11. That the same plan of retirement, with its corresponding benefits of rank and Retired Pay, shall be extended to Commanders who may have attained the age of 55, provided they be willing and desirous to accept the same.

"12. We would further propose that we be empowered, at our discretion, to allow a limited number of Commanders, who may have attained the age of 45, and who are not desirous of further employment, to retire on the foregoing conditions. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers shall take place under this clause.

"13. That Commanders who have already been removed from the Active to the Retired List of that rank, under the provisions of the Order in Council of 1st August, 1860, shall, as well as those who may hereafter so retire, be allowed to assume the rank of Retired Captain on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the said Order in Council.

Third, as relates to Lieutenants.

"14. That the Active List of Lieutenants shall not exceed 1,200, instead of 1,200, the number at which it is at present fixed.

"15. That Lieutenants who have completed 15 years' sea service in that rank, and who have attained the age of 45, shall be allowed to retire with the rank of Retired Commander. Such Officers to receive Retired Pay and their Widows to be allowed Pensions on the scale provided for in the Order in Council of 1st August, 1860, with this difference only, that such Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

"16. That Lieutenants who are either now on the Reserved or Retired List, or who may be in future retired under the provisions of the Order in Council of 1st August, 1860, and Lieutenants of Greenwich Hospital, shall be allowed to assume the rank of Retired Commander on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the Order in Council under which they were respectively retired.

"17. Lastly, it was provided by Your Majesty's Order in Council of 1st August, 1860, that Commanders and Lieutenants should in future, on being retired from the Active List, be awarded Retired Half-pay, graduated according to length of service; and whereas it has been represented to us that, although this system has, generally speaking, tended greatly to the advantage of these classes of Officers, there have been and may be hereafter cases in which Officers so retired might receive a less amount of pay than that which they would have enjoyed had their position not been disturbed by the provisions of the said Order in Council; in order, therefore, to prevent such Officers from becoming sufferers by a retrospective regulation, we would humbly submit to Your Majesty, that on their rising to a position which, had they continued on the Active List, would have entitled them to any higher rate of Half-pay, they should be exempted from the provisions of the Order in Council of 1st August, 1860, and awarded the same amount of Retired Pay as if their position had not been disturbed by those provisions.

"Should Your Majesty be graciously pleased to sanction these our suggestions, we would humbly submit that Your Majesty will authorize us to carry into operation the several arrangements and changes herein contemplated, from the 1st of July, 1864."

Her Majesty having taken the said Memorial into consi-

deration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commissior. Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:

2. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Chief Boatswain, Chief Carpenter, or a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon: provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said

Officer was killed or drowned in the Sea Service; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the end of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Proportion Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having been on the List of Commission Officers, or on the List of Naval Instructors, for complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, provided he had been five years on the List,—was in good health when he married,—and it be clearly shown that the disease which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, and was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

The Widows of Chief Gunners, Chief Boatswains, Chief Carpenters, are only entitled to Pensions in the event of their Husbands having been confirmed in the rank of Gunner, and the Widows of Warrant Officers (Gunners, Boatswains, and Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in the Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during, prior to, her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full Pay subsequent to their marriage, and shall have served the length of time to entitle him to Half-Pay,* but by Order in Council of the 1st November, 1864, the Widows of Chaplains dying after that date, who shall have completed 10 Years' Service on Full Pay, may be granted Pension although no portion of such service be subsequent to the marriage, provided they are otherwise qualified, according to the existing regulations governing the grant of Pensions.

9. The Pensions of Widows who shall have remarried prior to the 31st of December, 1830, shall be paid to them

* See Circular No. 47, 1 December, 1864.

selves, and their receipts shall, notwithstanding their coverage, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, on or after the 6th August, 1861, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that she is not in wealthy circumstances, and is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage. Widows who are re-married before the date of these Instructions, and thereby forfeited their Pensions, will not have the same restored to them in the event of their again becoming Widows.

11. Every Officer, whether on Full or Half-Pay, shall—in order to facilitate the decision upon the claim of his Family after his decease, to the benefit of these regulations—notify his marriage within six months of its taking place, to the Admiralty, according to the Form in the Appendix.

12. With respect to marriages contracted in Scotland none will be admitted, for the purposes of these Regulations which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated, — or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form in the Appendix.

13. *Widows.*—When an Officer is killed in action, and leaves a Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

14. *Sisters.*—Sisters of Officers are not eligible to any Al-

lowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of Her Majesty's Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have fallen in action, or shall die of wounds received in action, within six months after being wounded, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted, will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

15. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Officers, may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government; and that their pecuniary circumstances, and those of their family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz. :—

- 1st. Children of Officers killed in action, or drowned.
- 2nd. Children of Officers dying from illness contracted in the Service.
- 3rd. Orphans having neither Father nor Mother.
- 4th. Children of Officers dying on Foreign Service.
- 5th. Children of Officers dying on Full-Pay at Home.
- 6th. Children of Officers dying on Half-pay.

17. The Allowances granted to the Sons of Officers may be continued until they attain the Age of Eighteen, or are otherwise previously provided for;—and those to the Daughters may be continued until they marry, or attain the Age of Twenty-one, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

PRIZE MONEY.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirtieth Day of September next, Our Royal Proclamation of the Twenty-ninth Day of December One thousand eight hundred and fifty-three, regulating, according to the Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of several new Ratings and Denominations, and certain Alterations having been introduced and made in our Royal Naval Service since the Date of Our said former Proclamation, and for other Causes, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows; viz.—

That the flag officer or officers shall have one twentieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say,

When there is but one flag officer he shall have the entire one twentieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one twentieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-twentieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the

United Kingdom shall share in the proceeds of any prize captured from the enemy, or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave any port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-twentieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, in like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received orders directly from, and shall be acting in execution of an order issued by such superior flag officer.

No chief flag officer quitting any station, except on some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels behind after he has passed the limits of the station, unless he has surrendered the command to another flag officer appointed by the Admiralty to command in chief at such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed), shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer or by ships or vessels under his immediate command, unless he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken within the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorized by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the twentieth part prizes taken, whether he be commanding-in-chief or serve under command.

The first captain to the admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in one prize or prizes according to the share allotted to him in the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received an order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the case of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when on board, or to the Treasurer of Greenwich Hospital, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be divided into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any Difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the said Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.
A PROCLAMATION.

WILLIAM R.

WHEREAS by an Act passed in the Fifty-ninth Year of the Reign of His late Majesty King George the Third, Chapter 25th, intituled *An Act to enable His Majesty to fix a Rate and direct the Disposal of Freight Money for the Conveyance of Specie and Jewels on board His Majesty's Ship and Vessels*, it is enacted, that from and after the Eighth Day of April One thousand eight hundred and nineteen, all Freight Money to be paid for the Conveyance, on board any of the Ships and Vessels of His Majesty, of Gold, Silver, and Jewels, or of any other Article which may by special Order be received on board, and for which Freight shall be payable, shall be paid at such Rate, and be distributed and applied for such Purposes, and divided to and amongst such Persons, in such Proportions, and after such manner, as His Majesty, His Heirs and Successors, should from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that Purpose; in pursuance of which Act a Proclamation was, on the Twelfth Day of July following, made and issued by His Royal Highness the then Prince Regent in the Name and on the Behalf of His said Majesty, whereby, amongst other things, a Scale of Rates at which Freight should be payable for Public and Private Treasure respectively, in Peace and War, and for different Voyages, was fixed and established: And whereas We have thought fit to order that the said Rates should be altered: We have therefore, by and with the advice of Our Privy Council, deemed it expedient to issue this Our Royal Proclamation, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the said Scale of Rates so fixed shall cease and be no longer in force: And We do further declare, That from thenceforth the following Rates shall be established during Peace and War:

| | For Crown Treasure | For Treasure belonging to other Parties. | |

| For any Distance of Two thousand Leagues and upwards | 1 | $1\frac{1}{2}$ | 2 |

And it is further established and declared, That such Freight shall be payable clear of all Deduction whatsoever; and that it shall be stipulated in the Bill of Lading that the Captains and Commanding Officers of Our Ships and Vessels shall not be liable to any Expenses

attending the Shipment of such Treasure, or other Articles, until the same shall be safe alongside of their respective Ships or Vessels, and that their liability shall cease from the Moment they shall have landed the Treasure at the Port to which the Ships carrying the Treasure shall be destined.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the Twelfth Day of July One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's*, this Twenty-third Day of April One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of One per Cent., both

for Gold and Silver: and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be landed alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's*, this Eighth Day of June One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October, 1864.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight of Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1864, granting an allowance for Treasure deposited on board Her Majesty's Ships for Custody only, as if such Treasure were a conveyance from one place to another, at the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act

OFFICERS SETTLING IN THE COLONIES.

INFORMATION FOR MILITARY AND NAVAL OFFICERS PROPOSING TO SETTLE IN CERTAIN COLONIES.*

1. Privileges in the acquisition of lands are at present allowed to military and naval officers in the colonies of New South Wales, Western Australia, some of the provinces of New Zealand,† Ceylon, the Cape of Good Hope, Natal, and British Columbia.

In all the above-mentioned colonies, except Ceylon, the control of the waste lands of the Crown has been transferred to the local legislatures. Her Majesty's Government cannot therefore guarantee the continuance of the following regulations, as they will be liable to be altered or discontinued by the local legislatures.

2. In the above-named colonies land is disposed of by sale only; but officers purchasing land are allowed a remission of the purchase money, according to the under-mentioned scale:—

| | |
|---|-----|
| Field officers of 25 years service and upwards, in the whole..... | 600 |
| Field officers of 20 years service and upwards, in the whole..... | 500 |
| Field officers of 15 or less years service, in the whole..... | 400 |
| Captains of 20 years service and upwards, in the whole..... | 400 |
| Captains of 15 years service or less, in the whole..... | 300 |
| Subalterns of 20 years service and upwards, in the whole..... | 300 |
| Subalterns of 7 years service and upwards, in the whole..... | 200 |

Subalterns, under 7 years standing, are not entitled to any remission in the purchase of land.

Regimental staff officers, and medical officers of the army and navy, are allowed the benefit of this rule:—but military chaplains, commissariat officers, and officers of any of the civil departments of the army; pursers, chaplains, midshipmen, warrant officers of every description, and officers of any of the civil departments of the navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Mates in the royal navy rank with ensigns in the army, and mates of three years' standing with lieutenants in the army, and are entitled respectively to corresponding privileges in the acquisition of lands.

3. In order to take advantage of this privilege, officers of the army and navy on full or half pay, should provide themselves with a certificate from the office of the General Commanding-in-Chief, or of the Lords Commissioners of the Admiralty, showing that their settlement in a British colony has been sanctioned, and stating their rank and length of service. No document from the office of the Secretary of State is necessary.

4. This certificate will not on any account be issued more than once to the same officer, or to any officer on half pay who shall for two years immediately preceding the date of this notice have resided in the colony in which he seeks to make it available.

5. Gentlemen who have ceased to belong to Her Majesty's service will not be allowed advantages in the acquisition of land. This rule, however, is not to affect officers who, having obtained permission to settle in a British colony, have quitted the service for the purpose of doing so. But, in such cases, it will be necessary that their certificate of service and permission should bear the date of their retirement from the service, and that, within one year from that date, but not otherwise, it should be presented to the Governor of the above-named colonies, which will be a sufficient warrant for allowing the bearer the advantages to which his rank and length of service may entitle him according to the above scale.

6. The object of the regulations being to encourage the permanent settlement in the above-named colonies of military and naval officers, and it being necessary to prevent those who have no intention of settling there from taking advantage of the privilege, officers will not, for the space of two years

from the making out of their certificates, receive a Crown grant for any land purchased by such certificates, but will, at the same time, receive a "location ticket." At the expiration of two years, the officer, on showing to the satisfaction of the Governor that he is *bona fide* a resident settler in the colony, and has so resided continuously since receiving "location ticket," will be entitled to a Crown grant in exchange for it. If, however, application should not be made for the exchange of the "location ticket" within six months from the expiration of the two years for which granted, it will be considered to have lapsed, and the land will be open to sale or grant. In case of the officer's death while holding a "location ticket," the land to which it will be transferred to his legal representative.

In case of such death occurring before the "location ticket" is obtained, the Governor of the colony is authorized to make the certificate available in favour of the officer's other nearest representative of the deceased officer, as he may find advisable.

7. The Rules for the sale of land in the Australian Colonies, and at the Cape, and Ceylon, will be found in Nos. 65 to 87. The prices stated in those Rules are subject to a revision at any time by the proper authorities, and the pecuniary amount of the remission made cannot be increased on account of an increased value of the lands.

All lands, of which grants shall be claimed under this Act, shall be taken in one block and not otherwise.

ACCLIMATISATION.

Enquiries addressed to Her Majesty's Minister, Governor, or Consul at

The Gentlemen to whom these questions are addressed, are earnestly requested to consider the high importance which will be attached to the answers which they may return, and the service which they will render to the cause of Acclimatisation by endeavouring to the utmost of their knowledge, to make those answers as full and otherwise as satisfactory as possible.

The main purposes of Acclimatisation are to introduce, acclimatise, and propagate in the United Kingdom and its Dependencies such Animals, Birds, Fishes, Insects, and Vegetables as are likely to be of use or ornament, whether for domestication or for varying the common food of the people, or for manufacturing, or for any other useful purpose; and whose constitution and habits offer a reasonable prospect of successful cultivation. It is obvious that in India, Australia, Canada, the Cape, and other important Dependencies, unlimited scope is afforded for almost any variety of experiment.

It is confidently expected that the answers returned to these questions by Her Majesty's Ministers, Governors, and Consuls in different parts of the World, will bring together a mass of information on this interesting and highly important branch of knowledge such as never has been collected before, and the benefit which these Gentlemen will thus confer upon their fellow-countrymen will be in proportion to the fullness and exactness with which those answers are drawn up.

In replying to Questions 1, 2, 3, and 8, it is particularly requested that those special qualities which recommend the Quadrupeds, Birds, Fishes, and Vegetables as fit for food or domestic utility may be described. As regards Quadrupeds, Birds, and Fishes, it will be very desirable to collect all the information which can be got as to the best modes of feeding, keeping, and rearing the same, and, as regards Vegetables, any information as to the best mode of cultivation.

QUESTIONS.

ANSWERS.

I. Is there any Quadruped, indigenous or introduced to the Country in which you reside, which (having regard to the above definition of the objects in view) merits attention with a view to acclimatisation in Great Britain or any of its Dependencies? If there be any such, state whether it is attainable at a reasonable rate, and whether it is likely to bear the risk of transport.

II. Is there any such Bird?

QUESTIONS.

ANSWERS.

III. Is there any such Fish?

IV. Is there any such Insect?

V. Is there any such Timber Tree?

VI. Is there any such Medicinal Plant?

VII. Is there any Fibrous Plant likely to be useful for manufacturing purposes?

VIII. Is there any Vegetable suitable for the food of man, or for forage, or for any other useful purpose?

IX. Do you know any Quadruped, Bird, Fish, Insect, Tree or Plant existing elsewhere, the introduction of which to the country in which you reside would be likely to be beneficial: one of the objects of the Acclimatisation Society being to reciprocate the benefits which it receives from other countries?

X. Does any Organisation exist, or could it be easily called into existence, capable of undertaking the task of introduction?

Any Remarks founded upon special knowledge or local information, capable of being made useful to the progress of Acclimatisation, will be desirable.

CIRCULAR No. 37.—MM.

(ALLOWANCES FOR ENTERTAINMENT OF PASSENGERS IN HER MAJESTY'S SHIPS.)

With a view to obviate as much as possible the inconvenience experienced by Officers of Her Majesty's Ships in having to wait some time before they are reimbursed for the entertainment of Passengers, according to the rule laid down in Article 14, cap. 30, page 226, of the General Regulations, my Lords Commissioners of the Admiralty are pleased to direct, that immediately after the completion of the service of conveying any Passengers on Foreign Station, who may have been embarked under orders from their Lordships, or the Senior Naval Officer on the Station, the said Senior Officer shall be authorized, on application being made to him, to direct the Paymaster of the Ship in which the Passengers were entertained to pay a round sum equal to five-sixths of the expense of the passage (estimated according to the Regulations), to the Commanding Officer of the Caterer of the Mess at which the Passengers may have been received, care being taken to forward all documents relating to the passage to the Admiralty for approval and final adjustment, with a particular statement as to the amount which the Senior Officer may have authorized to be paid on the Station.

(PILOTAGE.)

The Professional and Executive duties connected with the Pilotage of Her Majesty's Ships having been transferred from the Department of the Accountant-General of the Navy to that of the Hydrographer at this Office, my Lords Commissioners of the Admiralty are pleased to direct that all Certificates of Pilotage, and applications for payment, together with all communications on the subject, shall henceforth be forwarded to the Hydrographer instead of the Accountant-General.

By command of their Lordships,

THE ALBERT MEDAL.

*Extract from London Gazette of 13th March, 1866.*WARRANT INSTITUTING A NEW DECORATION TO
BE STYLED THE ALBERT MEDAL.

VICTORIA, R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS, We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by seamen and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of obtaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A. interlaced, with an anchor erect, in gold, surrounded with a garter, in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be

published in the 'London Gazette,' and a Registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he had not received such medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this Instrument, have, in saving, or endeavouring to save, the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction; it is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which, in our judgment, disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, to the enjoyment of the Decoration.

Given at Our Court at St. James's, this seventh day of March, one thousand eight hundred and sixty-six, in the twenty-ninth year of Our reign.

By Her Majesty's command,

G. GREY.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:-

1st. The rule, directed by Her Majesty to be observed in awarding this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadeloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the

Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the

annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners
of the Admiralty,

H. G. WARD.

Admiralty, 1st June, 1847.

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

NOTICE.

NAVAL TURKISH MEDALS.

Department of the Accountant-General of the Navy, Admiralty, Somerset-House, March 1st, 1859.

Her Majesty having been graciously pleased to approve of the grant of a Medal which has been awarded by the Sultan of the Ottoman Empire to the Officers and Crews of Her Majesty's Ships employed in the Black Sea, between the 17th September, 1854, the date of the landing of the Troops, and the 9th September, 1855, the date of the fall of Sebastopol,—

Notice is hereby given, that a portion of such Medals have arrived in this Country, and will be distributed in the first instance, to Officers and Men on board Her Majesty's Ships on the Home Stations, and persons at present in the United Kingdom.

A further notice will be given when the remaining portion of the Medals shall have been received.

Every applicant must state his rank or rating, and the name of the ship or ships on board which he served; also in the case of every Petty Officer, Seaman, or Marine, it is indispensable that his application should be accompanied by a

certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1859.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:

C. 1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to applicants from the 14s. 6d. Half-pay List as may be willing to accept it, with pay of 17. 5s. per diem, and the corresponding pension to their widows, under usual restrictions.

D. 2nd. An addition of 7s. 6d. per day to be given to applicants, by Seniority, to the 12s. 6d. and 10s. 6d. Half-pay Lists, being Captains of not less than 20 years standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. The widows to be entitled to a pension of 110l. per annum, and to the pension of a Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 17. List to be filled up, in turn of Seniority, Officers then accepting the 18s. per diem; but no new admissions to the 17. 5s. List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 17. 5s. per diem, and the remaining 75 17. per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the estimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals; this reduction will be effected as follows, viz.—

B. 1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th Jan. 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

A. 2nd. By awarding ten Retired Service Pensions, of 150l. each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

B. 1st. As vacancies occur on the Active List of Flag Officers, the Captain first of Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flag, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

E. 2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be

be kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old Officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up. Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.)

RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1ST AUGUST, 1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

| | |
|---|----------------|
| If on 10s. 6d. Half-pay List when retired | 18s. per diem. |
| If on 12s. 6d. | 20s. „ „ |
| If on 14s. 6d. | 20s. „ „ |

Such Officers to assume the Rank and Title of Rear-Admiral at the time they should have obtained their Flag by Seniority, had they remained on the Active List. Captains who may arrive at the head of the List, without having served in that rank, to be placed on the List of Reserved Flag Officers, with the pay of 20s. per diem.

Captains now on the 14s. 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 9TH JULY, 1864.

1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty, without having served in their present rank, to be extended to Captains who may attain the age of sixty and have served a portion but not the full sea time required to qualify them for promotion to the Active List as Flag Officers. Such Officers to receive Retired Pay, as follows:—

| |
|---|
| If on the 10s. 6d. Half-pay List when retired, 18s. per diem. |
| If on the 12s. 6d. Half-pay List when retired, 20s. per diem. |
| If on the 14s. 6d. Half-pay List when retired, 20s. per diem. |

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and to receive Retired Pay at the rate of 25s. per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several

rates of 18s. or 20s. a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years, and, if less than that period of service, at the rate of 16s. a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List to be allowed pay at the rate of 25s. a-day, subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained, or may hereafter attain, the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st August, 1860, to be allowed more than the pay of 20s. a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

RETIREMENT OF 1851—continued.

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

- I. 1st. By selecting 50 Commanders to be Captains, as above specified.
- 2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.
- L. 3rd. By placing on reserved half-pay all Commanders who have not served abroad or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished in May, 1863.*)
- 4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)
- 5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

FURTHER RETIREMENT OF COMMANDERS UNDER ORDER IN COUNCIL OF 1st AUGUST, 1860.

- U. All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List with the Rank and Title of Retired Captain, and to receive Half-pay according to their length of Sea-Service on the Scale hereinafter mentioned.

Commanders, on the Active List, who have not been employed either afloat, in command of Revenue vessels, in the Coast-Guard, or as Mail or Transport Agents, within a period of 15 years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea-Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the Rank and Title of Retired Captain on reaching the age of 60, without further addition to their Retired Pay.

FURTHER RETIREMENT OF COMMANDERS UNDER ORDER IN COUNCIL OF 9TH JULY, 1864.

1. The Active List of Commanders to be reduced from 450 to 400.
2. The existing system of placing on the Retired List, under the conditions specified in the Order in Council of August, 1860, all Commanders who have not served within a period of fifteen years, either afloat or in command of Revenue vessels, or in the Coast-Guard, or as Mail Agent, or Transport Officer, to be extended to Commanders who have not been so employed during a period of ten years; such Officers, and Officers of Greenwich Hospital of similar rank, to be permitted to assume the rank and title of Retired Captain on reaching the age of sixty, or on attaining fifteen years seniority on the List of Commanders, and to receive, on their retirement, pay on the scale provided for in the said Order in Council, with this difference only, that Officers who shall in future retire will be allowed to reckon their service in the Coast-Guard on shore, or Transport Service on shore, as half the same as that served at sea, instead of one-third, as at present.
3. The same plan of retirement, with its corresponding benefits of rank and Retired Pay, to be extended to Commanders who may have attained the age of fifty, provided they be willing and desirous to accept the same.
4. A limited number of Commanders who may have attained the age of forty-five, and who are not desirous of further employment, may be retired on the foregoing condition, at the discretion of the Board of Admiralty. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers to take place under this clause.
5. Commanders who have already been removed from the Active to the Retired List of that rank, under the provisions of the Order in Council of August, 1860, as well as those who may hereafter so retire, to be allowed to assume the rank of Retired Captain, on attaining fifteen years seniority, but without any increase of Half-pay or Allowance Pension, beyond that authorised by the said Order in Council.

- 2nd. By placing on the reserved Half-pay List all Lieutenants who have not served at sea, or in the Packet or Revenue Service, within 20 years, and all such as are physically unable to serve; and by removing from time to time such Officers from the Active to the Reserved Half-pay List, reserving to them, as in the case of Com-

manders, all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished by Order in Council of August, 1860.*)

3rd. By keeping up the rule of promoting one officer in three vacancies (except special and individual cases) till the number of Lieutenants on the Active List be reduced to 1200.

4th. No promotion of Mates to be Lieutenants will hereafter be made by brevet, but whereas in case of war, or of emergency, Her Majesty may be pleased by Order in Council to call such officers from the Reserved List into active service, Her Majesty has been pleased to approve that such Officers as may be so employed shall be in all respects entitled to the pay and emoluments of their respective ranks on the Active List.

RETIREMENT OF LIEUTENANTS UNDER ORDER IN COUNCIL OF 1ST AUGUST, 1860.
